Thanks to the USDA, we will provide free meals to any child 0-18 years old on days school is in session. This will continue until further notice from USDA. We estimate it will be offered until December 31, 2020. We will keep our website updated with any changes to this free meal program.

Free and Reduced meal applications are available on the Dieringer School District website. Families are encouraged to apply as soon as possible so their free/reduced status will be in place for the remainder of the school year. Also application approval may apply to reduced cost school fees.
