

Dieringer School District #343

Child Nutrition Program

Free and Reduced Lunch/Breakfast Program

All families who wish to apply for reduced or free meals with the Dieringer School District are encouraged to fill out an application at anytime during the school year. A new application must be completed at the beginning of each school year. Applications are available at all school locations, on the Nutrition Service web site, <http://www.k12.wa.us/childnutrition>. The letter explaining how the program works is available there. Once an application is completed properly it will not be necessary to complete a new application during the school year.

Tips to have an application successfully filled out:

- List all children who attend the Dieringer School District.
- If receiving food stamps or TANF benefits, list the case number in the space provided on top line area.
- List all household members and their incomes.
- Make sure to fill out the form completely: signature, social security number, address and your phone number.
- Did you know that if your child qualifies for free or reduced price meal benefits, there may be additional benefits such as discounts or "0" costs for the following services? Ask your school for more information; not all benefits are available at each school.
- Academic Classroom Fees
- Athletic Fees
- Associated Student Body (ASB) fee
- Field trips

Free and Reduced Forms are also available in Spanish.
