

What is Skyward Family Access?

Family Access is a web-based component of Skyward, our student database system. It enables parents to be proactive members of their child's educational team. School newsletters and messages from individual teachers are available on the Family Access home page. In addition, guardians have access to:

Student Info: View address, phone number, and emergency contact information.

Attendance: View absences and tardies recorded for your student.

Food Service: View food service purchases, payments, and track lunch account balances. Subscribe to email notifications when your child's lunch account balance falls below \$3.00 (on the My Account page).

Health Info: View the immunization records on file at school. Individual Health Plans for specific students can be accessed here as well.

Gradebooks (Grades 4 – 5): View your student's current grades and assignments for each enrolled class. Subscribe to email notifications when your student has a missing assignment or a grade below a certain percentage (on the My Account page.) **Grades for 6th – 8th graders are available in Schoology. More information about Schoology will be provided to NTMS students and families.**

Portfolio: View report cards here. Report cards are posted at the end of each grading period (quarter or trimester).

Academic History: See a record of your student's grades over time.

Test Scores: View standardized test scores.

Discipline: View discipline records, if any.

Schedule: See class schedules for NTMS students.

Detailed instructions and the logon page can be found on the Dieringer website (www.dieringer.wednet.edu). Choose "Resources", then "Skyward Family Access."

How do I get Family Access?

If you are new to the district or do not know your Family Access account information, go to www.dieringer.wednet.edu and click the **Family Access** tab. On the login page, click "Forgot your Login/Password?" and enter the email address you have provided to your child's school. You will receive an email containing your user name and a link to reset your password. (If you don't know which email address we have on file, or need to update your email address, please call the school office.)

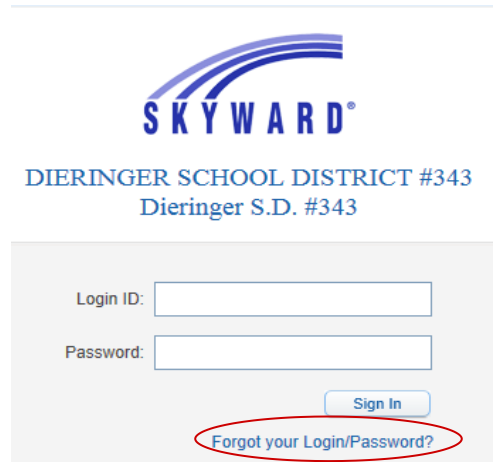

Returning Dieringer families have the same user name and password as last year.

Skyward also has a **mobile app**. The mobile app allows access to some, but not all, of the functionality and information on the full Skyward Family Access website. Info is available on our **Skyward Family Access** page.

What is Skyward Student Access?

Students in 4th through 8th grade have access to the some of the same modules as their parents. Student Access user names and passwords will be issued at school.

Updated 6-5-19

The screenshot shows the Skyward Family Access login interface. At the top is the Skyward logo. Below it, the text reads "DIERINGER SCHOOL DISTRICT #343" and "Dieringer S.D. #343". The login form contains two input fields: "Login ID:" and "Password:". To the right of the "Password:" field is a "Sign In" button. Below the "Sign In" button is a link that says "Forgot your Login/Password?", which is circled in red in the image.
